Bible Baptist Academy
(A Ministry of Bible Baptist Church)

Terre Haute, Indiana 47802
(812) 238-2541

Applicant's Name _____

The above named applicant has expressed a desire to become a student at Bible Baptist Academy. The goal and purpose of BBA is to disciple young people so that they might be effective leaders for Christ in their world and local churches. We are looking for students who desire a distinctively *Christian* education and who are not just seeking to “escape” the public schools or past problems.

As part of the application process, each applicant is required to submit a recommendation from his/her Pastor or Youth Pastor (or Chairman of the Deacons when his/her father is the Pastor). Since serious consideration is given to this recommendation, we request that you complete the form prayerfully, carefully, and candidly. Please return it directly to the Administrator of BBA at the address above. All responses will be held in strict confidence.
